A HERITAGE FILM FESTIVAL

Sensitizing youth

Celebrating our Historic, Cultural & Natural Heritage

Dharohar Film Festival

Celebrating our Heritage!

Chand Baori– The Mystery of Abhaneri

The film showcases the ancient stepwell of Abhaneri which conceals immense mysteries and secrets in its design and beautiful architecture. A classic example of our incredible heritage, Abhaneri is a wonder that still puzzles archaeologists.

The World's Best

An incredible documentary film featuring some of the world's best places, traditions and cultures that adorn India, and the vision and mission behind the Dharohar Film Festival and Sukhnidhey Films.

Tal Chappar: The Indian Savanna

The film is an epic saga of the Tal Chappar wildlife sanctuary- home to the critically endangered blackbucks who were once on the very verge of extinction. The film showcases Tal Chappar's biodiversity and the role of local communities in conservation.

Talkad: The Curse of the Queen

The very ancient land of Talkad in south India has remained a mystery for centuries. Home to hundreds of mysterious ancient temples which still lie buried in sands awaiting discovery, Talkad abounds in magnificent temples of extraordinary splendour.

Srirangapatnam: History's Battleground

The film features the incredible Ranganathittu bird sanctuary where life of species is a constant struggle for survival. Associated with Tipu Sultan- Srirangapatnam has had an extremely glorious past & conceals Tipu's ancient secret dungeons where many bloody battles have been fought- making the land, truly, History's battleground.

Vindhyagiri: The Forgotten Glory

The film showcases the ancient Vindhyagiri mountain in Sravanabelagola, which is extremely rich in its ancient temples and sites which are stunning examples of Indian architecture and arts- particularly the monolithic idol of Lord Bahubali- the highest, and the finest of its kind in the world.

Sariska: A Reserve Reborn

Sariska is a tiger reserve in Rajasthan, which lost all its tigers to rampant poaching. This disturbed the entire jungle ecosystem. Tigers were then reintroduced in Sariska in the first tiger relocation project in the world. The film captures the behaviour of relocated tigers for the first time, and shows how the reserve is now reborn, when her King returned.

Keshava: The Forgotten Temple

The film showcases the magnificent ancient Keshava temple in the town of Somnathpur- which is one of the finest examples of the Hoysala dynasty arts and architecture- and a shining example of our amazing heritage which needs our care and preservation.
